I like wearing light summer dresses that feel soft and silky against my body, especially since I've shaved my pubes down into a long strip. When I have clothes on and I tell my man that I'm going to slip into something more comfortable, what I really mean is that I'm taking it all off. Then it's right to slapping the flesh and poking the holes... and that's the way we both like it! Uh huh! Uh huh!

This beautiful Latina babe likes to tease and dominate her lovers. She loves to suck cock and says she can cum just by having her ass hole licked. So we decided to put her to the test by sitting on his face, riding him with his cock deep in her butt, and climaxing on top of him. He thanks her with a huge facial.

# I GET SCHOOLED IN PARIS

Paris is wonderful, but oh so expensive. I'm in my junior year at the Paris Conservatory, where I study drama and am in theater tech – you know, designing and building sets for theater. I went to college in Paris because I wanted to be a bit more independent and start a life in theater. I've come to learn the streets of Paris around the college so now I can go grocery shopping, do my laundry and all kinds of grown up stuff. But it also means I have my own apartment and I can do whatever I want – to whomever I want.

The off campus neighborhood is full of students like myself, all going through the daily motions of school and after school. Some of my weekends I spend on campus, but more and more I'm off campus. Across the street live the 'Bordeaux' bunch. I call them that because the father is a wine distributor. The oldest daughter is named Corrine and she's a senior at the same college. She's a very pretty girl with a caring heart. When I moved into the neighborhood, my dog ran away and she helped me find it. Afterwards we became friends and walk to school together and talk about all sorts of college-type things. She would tell me of her boyfriends. I told stories of my girlfriends. About love and hate and infidelity.

Corrine said that when she went to college she started wearing skimpy tank tops that showed off her body and especially the size and shape of her gorgeous breasts. Her shorts became shorter, and she got more adventurous with her love life. Her vow of celibacy was out the window by her sophomore year. She even admitted that she had developed a reputation as a champion cock teaser, a young lady who let everybody know just what she had but didn't let just anybody touch. We joke about the French being known for giving oral pleasures in the USA.

I suspected that she had a boyfriend in college. Still, she was always friendly to me, and I saw a lot of her at one place or another in the neighborhood. She worked out at the athletic club just down the street from our flats. I worked out there as well, and we often spend time together. She always wore

running shorts that were as thin as skin and a slim bikini top that allowed her boobs plenty of fresh air as she worked out.

One afternoon after working out at the club, Corrine and I walked home together. She told me that she was feeling stiff from the workout, and asked if she could get a back rub when we got back. The opportunity merely to touch her, even if it was just a back rub, was like a dream come true! Yes, I have had those types of thoughts about her, but have been very careful not to say or show anything about my lust for her.

As it turned out, Corrine's parents and siblings weren't home, so we had the flat to ourselves. She led me right into her bedroom, kicking off her shoes along the way. I followed her like a dutiful puppy, through the hallway and up the stairs to her room. When we got there, she plopped herself face down on the bed. Her shorts outlined the shape of her sexy ass. It was wiggling invitingly, and filled my head with all sorts of ideas. "This is going to feel good," she said, slipping off the shorts. I had no idea they even made such skimpy pants. These were tight and revealing. "Oh well, I guess I might as well take this off as well," she said, slinking out of her top, letting those big glorious breasts loose and pressing down against the bed.

She had a small bottle of massage oil that she kept in the night stand drawer, and laying on her tummy reached over, opened the drawer and pulled it out. I took it, put a little on my hands and rubbed them together to warm it up. Then, standing by the bed, I proceeded to run and knead her back with long soft, but strong strokes as she moaned beneath them. I worked the oil into her long athletic legs, being careful not to get too close to where I shouldn't be going.

Then abruptly, she rolled over as I was working her feet. Her hips came first and her breasts followed. She made no attempt to cover them, but rubbed them a little to wake them up after lying on them. As she did, I noticed her nipples harden just a little. She looked at me as if to say, 'what are you waiting for?' I warmed up some more oil on my hands and took a couple steps up the bed to begin with her shoulders. She closed her eyes and started those sexy low murmurs again and my pecker was raging inside my shorts. I worked my way down her chest, trying not to touch her nipples. I massaged the sides and under her breasts but stayed away from the tops. She took one hand and pulled it back to her breast and said that I forgot a couple spots. I laughed nervously and apologized saying I didn't want her to think wrong of me. She just smiled as my second hand came back and caressed those perfect fleshy, mounds.

Her nipples got harder and harder as I swirled the oil on them. Her moans got a little louder but I kept my actions righteous. Not wanting to linger too long, I moved down her body to her thighs and continued there all the while looking back up at her large breasts. When I got up to where her legs meet her hips, I slipped a hand under her panties and into the crease, rubbing and pushing down so she got a good massage. She suddenly lifted her hips and in one motion pulled her panties down and off her legs saying I can't do a good job with them on.

Suddenly the room filled with the tart smell of wet pussy. We had showered at the club, but the massage must have ripened her pussy a bit. With my monstrous hard on, I was tempted to take off my shorts too! With her legs spread and her ass lifted slightly, Corrine's pussy was about to get it's own massage. She had some wispy dark hairs. Mostly though, what I saw were two tantalizing pussy lips, glistening with the oil I was applying to them. My cock was twitching uncontrollably and she must have noticed. She ran a hand up my leg and found it. Without saying a word, she looked up at me and squeezed. I nearly collapsed right there. It was all I could do to keep from cumming in my shorts when Corrine said, "Would you like me to do you now?" in that cute-as-hell French accent.

Before I could answer, she had my shirt off and was easing me onto my back. She pulled my shorts down past my knees, then my underwear, which snapped past my cock. That didn't surprise me, since I felt as hard as a rock. I closed my eyes, waiting to feel her turn me around so she could rub my back. But to my surprise the next thing I felt, however, was her warm, wet mouth on my firmness. I opened my eyes to see her head moving up and down and her soft warm tongue lapping all of my cock with amazing sexual energy.

"I hope you don't mind if I skipped the massage and do this instead?" she didn't wait for an answer. She just went right back to sucking me off. Corrine's mouth moved smoothly up and down my cock. Her teeth never touched it. I could feel the tip of her tongue massaging my sensitive vein. She stroked me as she stopped sucking, almost sending me over the edge. Then she took my balls in her mouth and gave them a good soaking. I felt her tongue separate them and lick each one. I said, "Are you trying to make me cum?"

She went to work at a feverish pace, taking my meat all the way in her mouth again, her tongue moving against it like dog licking his last bone. Finally I was ready to explode and told her so. Corrine backed her head away but

kept pumping with her hand until the spunk flew out of my pecker in a torrent of light globs that landed right on her huge boobs. Pushing one up to her mouth, her tongue playfully licked at the pearly drops and lapped them up, all the time stroking my cock until it was emptied and soft.

She then crawled up on me and sat right on my face. "Sorry, you'll have to finish me off now. That got me too excited!" she said. I thrust my tongue deep inside her wet slit as she held her pussy lips apart. She finally came as her body shuddered on top of mine. She straightened up, got off me and gave my cock one last lick. Corrine and I have since spent many such afternoons together. We like to go down on each other all the time and she has learned to swallow my cum. And thanks to her, I have become an expert at eating French pussy. Now that's what I call a lesson learned.

# VIOLET STARR

**Sometimes Sex is Plain and Simple.**

Like when pretty Violet Starr diddles herself on a grungy brown bed wearing a plain white bra and panties. Violet Starr reminds us of the type of girl we'd take to a no-tell motel – the room cheap, the girl pricey – stripping off the gross bedspread and tossing it on the floor so Violet can run her lips along your long shaft making you pop a load down her hungry throat. And that's just the start.

I LOVE TO HAVE DAYS LIKE THIS

# Reunited - plus one

*It's been a long airplane flight from New York to Seattle but It went quickly enough as I thought about him. You see, I'm on my way to a ten-year college reunion. The ten-year was my sorority's idea because we all got along so well and didn't want to lose touch — ever. However, why I'm really going is to once again meet up with a gorgeous hunk who had given me the most orgasmic weekend of my young collegiate life.*

That was more than thirty hours of non-stop sex except for some food here and there and few minutes to doze off and regain our strength. That was fucking my brains out with an athletic god of a football star with a bulge you could practically measure in yardage.

The day of the reunion, I got dressed in an almost-sheer white blouse with a beautiful lacy bra underneath that was just teasing enough but classy in a slutty sort of way. Then, at the carefully planned moment, I'd unbutton my top a couple buttons and 'BAM.' Out would explode my massive, D-cups of this five-foot-ten amazon of a varsity women's volleyball player. My boobs go on for days, maybe weeks! And because I'm so tall, it all looks both naturally proportioned and supernaturally overwhelming. Most men's jaws drop on those rare occasions when I flip off my jacket and let my superhuman shelf free; some have broken into a sweat, and I swear, I've seen two different men spring an instant erection and helplessly ejaculate just from the sight. I'm getting hot just writing these words: The sight of my body has actually made men cum in their pants!

I'm positive that at the reunion, even this muscular, God-stud of cock wouldn't be able to resist me. I knew he had RSVP'd, but didn't know if he was coming alone. Not that I cared. I've taken men away from other women enough times in my life. And the stakes were high here — I've never, ever, ever been satisfied again the way Fe-

lipe had satisfied me that weekend, all weekend long. It's a memory still vivid in my imagination.

I arrived at the hotel and signed in, making chit-chat with some of my old acquaintances I'd caught up with on social media. I didn't touch any of the hors d'oeuvres being carried around by the waitstaff. I was too nervous to eat, and didn't want to risk any food spoiling the perfectly constructed line of my lipstick and the subtle but radiant highlights of my makeup. With a vodka rocks in hand, I glided around the grand hall, catching up with old girlfriends and studiously avoiding making eye contact with any of the men, whom I could hear quietly gasping as I walked by. I kept my glances concentrated at the door where Felipe would enter and have to stand for a minute or two as people signed in and fumbled with their registration and name tags.

I tried as hard as I could to push away thoughts of him — of his unbelievably strong body, his unbelievably enormous erection. Twice the length and twice the thickness of any oth

BLAIR-NTS-09

er men I've known, and my God, do the math: that is literally enough of an erection for two-well-hung men at once!! His cock was the size of a French-fuckin' baguette! I had to stop. My nipples were threatening to pop out of my bra, my pussy was already wet, and I had to keep clutching my ass cheeks tight just to be able to walk straight. Oh, God, I thought — if he doesn't show up soon, I'm just going to say fuck it, find an out-of-the-way ladies' room, and masturbate my clit off! But patience pays off. Finally, there he was and my heart jumped into my mouth. He looked even better than he had ten years ago! Felipe still had the fine physique of a triathlete, and his face looked fuller and more square-jawed, with just the hints of those rugged lines that experience brings, hopefully long, hard experience, if you know what I mean.

Then, I saw her. She was stunning. A blonde-haired, Kate Upton-ish vixen, all boobs and ass with a lot of class. She was perfect! Except for once or twice a dozen years ago, I'd never done more than tongue-kiss another woman — but her — wow! I could feel my tongue tingling, picturing in my mind's eye having my face down between her taut legs, lapping away at her gorgeous pink slit, pushing and penetrating my tongue so deep up her pussy it'd make her moan and cum on me. Leave it to Felipe to be with a goddess.

Before I could think up a strategy, Felipe looked up and saw me. My blood froze. Without taking his eyes off me, he leaned in to the beautiful woman beside him, and they both smiled. I couldn't move. I saw them start to walk toward me, and it was like I was deaf and dumb to every sound and sensation except their footsteps. By the time the two of them had traversed the thirty feet to where I stood, I was only just starting to get feeling back in my statue-like limbs. It took every bit of my concentration to look calm, poised and collected, although every atom in my body was trembling and wanting to scream.

"Nice to finally meet you," the beautiful, light-haired woman said, with a smile that made me melt inside, though I stood firm. "Felipe has told me who you are." She still was smiling. For the first time in my life, with another woman between me and a man, I was nervous. Was that a piranha smile? Was she about to bite my head off? Felipe, standing next to her, was smiling as well, and there was something in his face I remembered, and recognized.

"My name is Camille," the woman said to me, beckoning me to lean in to her five-foot-nine in heels height, in such a way that anyone watching would have assumed we're old friends and she's telling me some gossip, some secret between us girls. "I know I'm married to a man who makes women's pussies wet just looking at him," she began. "A man with more than enough cock to fuck ten hot, steaming women to gushing orgasms in a single night. I have been there and been part of that, many times." And then she came to the point. "I want you. Felipe has told me of your sex marathon; how you squirted a fountain of cum a yard high. Now I want that with the three of us." Oh, yeah! My mind screamed. And despite everything, despite my discipline and perfect confidence in my hurricane-force sexuality and cock-

exploding body, I felt my lower lip tremble and a single, damnable bead of sweat form on my forehead.

"You have no choice." Camille said, her smile widening, her eyes zeroing in for the kill. "I'll do anything." I whispered hoarsely. Then we departed for the suite they'd rented; a luxurious set of rooms with a marble tub, a full bar, a fireplace, wall-to-floor windows and a terrace overlooking a wooded lake. After an hour of slow seduction it would take another story to describe, and which gave me my first two orgasms of the night, the tsunami sex began. Felipe stood before us as Camille and I finished making love on the giant bed. He was hard as stone now, his ungodly erection, powerful and trembling, looking like with one good grunt it would explode upward all the way to his chin! What a hunk of pussy-destroying power! Camille played with herself on the bed as I got on my knees and struggled to get the giant knob in my mouth. Camille was moaning, her fingers playing rapidly inside her pussy, preparing to watch one of the greatest fuckings on earth.

BLAIR-NTS-10

My tongue found the little slit in the head and softly parted it, sticking it in and out a few times. I slid my lips and tongue down the long thick shaft until I reached the base. I nibbled the area where the base met his balls. Then I took those tennis size balls into my hands and started squeezing them, coaxing his seed to the front. I pushed his penis against his tummy and slid my tongue the foot and a half from his balls to the tip and back again.

Felipe came all over my face, and I gobbled and swallowed and smeared his gallons of cum on my cheeks and lips and mouth, licking my fingers like it

tightly puckered anus. She moved her hips into it, pushing my finger deeper. I obliged by adding another digit as her fingers found my asshole under Felipe's pounding of my pussy. The sensations were out of this world. Fingers, cocks and tongues, oh my!

That did it. I squirted, I sprayed, I gushed pussy juice splashing all over his cock and brick-hard six-pack abs. Camille dove right in, thrashing her face in my pussy like a vampire on some virgin's neck. My orgasms finally slowed after a minute to just under the boiling point, then I put my fingers down to feel his un-fucking-believably huge cock, and I started cumming all over again! Squirting again for the first time in all these years, getting torn and destroyed by multiple orgasms that kept hitting me like a perfect storm, I was almost praying for my incredible climaxes to stop, or at least slow down, so that I could give Felipe the coup de grace and let him rip apart my asshole with one of the biggest cocks in the world!

When it was finally time, I rolled over. Camille licked my ass and fingered my rectum, getting it good and wet. She pulled my butt cheeks

was honey. Knowing from experience that he could go hours without getting any more than just partially soft, I lay back and played with my pussy as Camille moved in and licked his cum from my face. Felipe watched, growing so stiff so fast you'd swear you could actually hear him hardening! He placed the head of his cock against my drowning pussy, and with Camille holding my pussy lips open, he penetrated me, inch by thick fucking inch.

The pressure and anticipation were about to kill me!! With his wife cooing and playing with my clit, Felipe finally pushed in more than the head, which was nearly three inches by itself! Slowly, carefully, he began sliding in and out of me. His cock was so thick it was massaging my clit with every stroke, and as steam practically began pouring off of us, he slid faster, and harder, and faster, and harder until finally two-thirds of that gargantuan monster was tearing me apart, punching at the back of my womb! Camille was licking and sucking my clit as my fingers played with hers. I felt her suck and pull my clit with her lips as Felipe banged me hard. My own fingers were sopping with her sweet love juices, and I slipped one up her butt crack and into her

open, giving his cock a pink target to violate. She grabbed his massive meat loaf and guided it into my back door. It took a while, probably twenty minutes of non-stop, gradual burrowing before my sphincter had loosened enough to accommodate him. He'd never come close to getting the entire thing in,. If he were able to get just half of that more than foot-long, ten-inch-around cock in my ass, it would be a miracle. And oh, my God, what there was, was miraculous!

Finally slamming me, driving me to the moon and back on the sheer length of his cock, Felipe blasted my tight asshole into oblivion! He pounded me, while I screamed in pure ecstasy! "Fuck my ass. Fuck my fucking ass." I screamed. He fucked my ass until I passed out! I woke up in pain and pleasure, being serviced by a pair of sexy tongues slathering their juices all over my body. That weekend ended with hot combinations of flesh rampaging around the suite. We became better friends and I have since moved to their city so we can party together all the time. The sex was and is amazing, and I hope you'll be able to experience the same joy some day.
